Coach Matt Stine

Dear Community Member,

The Yorba Linda High School Baseball Program Golf Tournament is soon approaching and will swing into action on July 18th, 2011. Each year, the proceeds from the event directly benefit the YLHS Baseball Program. Your support enables the YLHS Baseball Program to provide needed equipment and facilities to this local high school that otherwise would not have the ability to obtain through school district resources.

The goal of the YLHS Boosters is not only to provide needed resources to the baseball program, but to continue to grow the program year after year so our program will be THE BASEBALL PROGRAM for the Yorba Linda community. With your contribution, we are able to obtain maintenance equipment, outfield fence wind screening, batting cage netting, blast constructed dugouts, an electronic scoreboard, and coaches and player lockers among a few things.

The YLHS Baseball Program focuses its efforts on enriching player growth, development and excellence in coaching the game of baseball.

Your involvement with YLHS Baseball will strengthen the connection between the local community and the YLHS players, coaches and families.

We invite you to join us and invest in our Program, the players and their future as we are blessed with the opportunity to impact their lives and make positive changes because of your kindness and generosity.

If you hope that you will see the merits of this event, and the work that we do. Please join us in making this a most successful tournament!!
